

ED MORSE SAWGRASS AUTO MALL

SAFE KIDS EVENT

Saturday, April 12th • 10am-2pm

Come in to get your car seat checked and learn what families can do to keep their children safe. Join us for interactive demonstrations, games and refreshments.

96% of
child restraints are
used incorrectly.
Is yours?

*Safe Kids and Ed Morse Sawgrass Auto Mall
want to make sure kids are riding safely!*

96% of all car seats are installed improperly! At the car seat safety check, certified Child Passenger Safety Technicians will check your child's car seat for proper installation, safety and recall status, and provide education.

You must bring your child, car seat and vehicle to the event.

If you need a new child restraint, a new one will be available for a donation.
